Report to Partnership Meeting – 8th October 2009

RESEARCH

Active Travel Audit Update

Halcrow have carried out AT audits for Dunoon, Fort William, Thurso. The audit for Oban is underway, to be followed by Alness-Invergordon. Local authority officers will be agreeing the final reports. The suite of reports compiled over the two years will provide a list of small capital projects to be funded jointly by HITRANS and the LAs which will enable some of the barriers to increased cycling and walking to be overcome.
